**AGENDA**  
**CANADA-CHILE COMMISSION FOR ENVIRONMENTAL COOPERATION**  
**PUBLIC SESSION**

The Future of our Coastlines: Sustainable Development of Coastal Areas in a Changing Environment

16:30 to 18:00 (Santiago and Ottawa)

Tuesday, April 27, 2021

Zoom: Link to come

**Objective of the event:** Create a forum for dialogue and debate with civil society on environmental issues of interest to both countries. The subject of this year's session is: *The future of our coastlines: Sustainable development of coastal areas in a changing environment.*
